

Safe Travel with Albus by Dr. Richard

This is how we protect you.

Your health is our top priority. We take care of the **maximum protection for all passengers and employees** with the help of the following measures:

FFP2 mask requirement
also for drivers

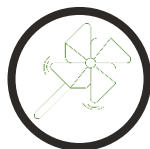

The same seat
for each guest
during the entire journey

Free disinfectant
on board

At least 2 meters distance
when getting on/off
& loading luggage

Sufficient breaks
to ventilate

Regular bus cleaning
of all critical contact points

Book now and travel safely:
